

Chapter 1

Once Upon A Time

From Moses Mensch's Little Brother's Diary

"Big Brother, I'm hungry!"

"Little Brother, Star Boy will bring you food."

"Big Brother, the Hitler Youth want to hurt me."

"Little Brother, Star Boy will protect you from the Hitler Youth."

And Moses Mensch told his little brother a story.

"Once upon a time the Hitler Youth chased the Mensch brothers across a frozen pond and threw bricks at their heads and taunted them in song and slurs and the Mensch brothers ran and ran and ran across the frozen pond two steps ahead."

"Kill the fleas. Kill the rats. Kill the Jews. Kill the fleas. Kill the rats. Kill the Jews. Kill the fleas. Kill the rats. Kill the Jews. They're all the same! Full of shame!"

"Once upon a time the Hitler Youth chased the Mensch brothers across a frozen pond and were just about to be murdered by the Hitler Youth when Star Boy came down from the sun like a V2 rocket and rays of sunlight came out of his eyes and shot into the Hitler Youth and they melted like dirty snowballs and the Mensch brothers made it safely across the frozen pond and came upon the Grail Castle and hid inside the cellar underneath the throne room and Star Boy brought them food and hot cocoa and pastries that he stole from the Grail kitchen."

"Big Brother, you tell the best stories."

"The best stories are best told to my little brother."

Moses Mensch would always remember hiding his little brother in Johann Sturmer's Grail Castle Publishing House cellar and bringing him food and cocoa and pastry he stole from the kitchen and praying that Star Boy would save them.
